

IN THE SENATE OF THE UNITED STATES.

L E T T E R

FROM

THE SECRETARY OF THE TREASURY,

IN REPLY TO

Senate resolution of January 28, 1895, stating the estimated excess of revenues over ordinary expenditures for the year ending December 31, 1895.

FEBRUARY 4, 1895.—Referred to the Committee on Finance and ordered to be printed.

TREASURY DEPARTMENT,
OFFICE OF THE SECRETARY,
Washington, D. C., February 2, 1895.

SIR: In reply to Senate resolution of January 28, 1895—

That the Secretary of the Treasury be directed to inform the Senate what is the estimated deficiency in the revenues of the Government to pay current expenses between the 31st day of December, 1894, and the 31st day of December, 1895, and if the \$153,337,579.99 cash balance in the Treasury on the 31st day of December, 1894, will be sufficient to meet such deficiency,

I have the honor to state that from estimates made upon the basis of laws now in force, it is believed that for the twelve months ending December 31, 1895, the revenues of the Government from all sources will exceed ordinary expenditures by \$22,563,023.

Respectfully, yours,

J. G. CARLISLE, *Secretary.*

The PRESIDENT OF THE SENATE.
